

## Campaign Update

## July 2022

Thank you to those that have already make a pledge and/or gift to the *Brighten Our Foundation* Capital Campaign. With your generosity, we continue toward raising the funds needed to complete the projects identified in each of the three phases: The Center of our Worship – The Sanctuary, The Atrium, Shared Spaces & Security, and Parking & Driveway Infrastructure.

The *Brighten Our Foundation* committee and Kirby-Smith Associates have begun contacting those that we have not yet heard from on an individual basis. The goal is to give everyone in the St. John community the opportunity to participate in this campaign with your financial commitment.

**We are asking that each household prayerfully complete a pledge form. Your gift can start at whatever time is convenient for you.** Secure campaign contributions may also be given via our parish e-giving platform, Vanco, at [bit.ly/stjohnbof](https://bit.ly/stjohnbof). These pledges are very important as we continue to plan projects with our contractor, Conewago. Any work will depend on the timeline of our parishioners' generosity.

Each and every gift, no matter the level, makes a difference. Thank you again for your prayers and support as we continue through this effort. We are truly blessed by our wonderful Parish Family here at St. John the Baptist!

### Brighten Our Foundation Prayer

O God, creator and giver of all things, bless our parish family, strengthen our faith, and grant us the spirit of sacrifice. With your grace, may we revive the gift of our faith, restore our parish facilities, and rejoice in the blessings you still have in store for us. May we glorify you and grow in love for you as a community of faith through Christ our Lord. Amen.
