Altar Server Resources and Notes

If a server is in doubt on any procedures, the current server "cue cards," along with the current schedule, can be found on the SJBNF Altar Server Home Page at https://www.sjbnf.org/altarservers

We are blessed to have 3 new priests, but as is always the case there are a few changes that affect servers. Please become familiar with the changes. We'll try to review them before most masses.

Credence Table Server:

* The only change is that the priests will not purify the vessels at the altar when there is no deacon. Thus, there is no need to deliver water to the altar after communion.

Missal Server:

- * Neither Fr. Berger nor Monsignor Richardson use the missal stand. Both use their own small missals and do not use the missal at the start of mass. The missal will first be delivered at the end of the Gloria for the Collect prayer for those priests. Fr. Suresh uses the missal stand and the typical missal and still gets the missal at the beginning of mass.
- * After announcements, immediately deliver and place on the altar the missal stand (for Fr. Suresh) and the missal for all the priests. No need to wait for the missal to be taken, just place it on the altar. If there are only 2 servers (7:30), after delivering the missal, go to the credence table and deliver the tray of ciboria.

Senior Server:

- * Ensure the correct missal is on the table for the priest and that it is opened to the first gray tab for Fr. Suresh or the ribbon (could be any color) for the Collect prayer for that mass.
- * Since Fr. Berger and Msgr. Richarson don't need the missal until the Collect prayer, wait until "...You alone are the Most High...." during the Gloria to pick up the missal and give to the missal server.
- * When there is no deacon, the SS prepares the altar per the diagram. At the end of the petitions go straight to the altar. The missal server will deliver the missal (and stand). For Fr. Burger, open his missal to the ribbon with the Collect Prayer. For Msgr. Richardson and Fr. Suresh, open the missal to the 1 st Green Tab (Liturgy of the Eucharist).
- * When there is no deacon and only 2 servers (7:30), the SS will go around back and stand next to the credence table during the petitions. After the petitions the SS delivers the chalice to the altar and begins altar preparation.
- * The altar is cleared the same way at every mass (i.e. removing the chalice, paten, etc). However, the host corporal will also remain on the altar and be pulled down to the lower edge of the altar. See the diagram.
- * After genuflecting to Our Lord in the tabernacle at the end of mass, if the priest or deacon do not return to the altar to fold the corporals, the SS should immediately do so.
