

“When a woman begins to open her heart to God, it’s like the opening of a little flower. It can easily be bruised or crushed, and must be treated with the greatest care.” -St. Therese of Lisieux

Walking with Purpose gently introduces truths that can change your life!!!

Opening Your Heart, The Starting Point

This weekly foundational Bible study is designed for women who are new to WWP as well as those with more Bible study experience. Join us as we examine the core questions that we need to wrestle with if we want to experience all that God has for us.

- How can I conquer my fears?
- What is the role of the Holy Spirit in my life?
- What does the Eucharist have to do with my friendship with Christ?
- What challenges will I face in my efforts to follow Jesus more closely?
