

Campaign Update

Interior Work

We are blessed and so grateful for the gifts and commitments that continue to come in from our parish family. St. John's currently has \$507,241 pledged of the \$793,000 projected cost that is needed for Phase I and Phase II.

For interior work to begin, St. John's must receive 50% of the project cost (\$396,500) with the remaining 50% pledged before or by January 2023. We are excited to say that over \$260,000 of pledges have already been sent in and count towards the 50% cash needed.

We are asking that each household prayerfully complete a pledge form. Your gift can start at whatever time is convenient for you. Secure campaign contributions may also be given via our parish e-giving platform, Vanco, at bit.ly/stjohnbof. These pledges are very important as we continue to plan projects with our contractor, Conewago. Any work will depend on the timeline of our parishioners' generosity.

Each and every gift, no matter the level, makes a difference. Thank you again for your prayers and support as we continue through this effort. We are truly blessed by our wonderful Parish Family here at St. John the Baptist!

Brighten Our Foundation Prayer

O God, creator and giver of all things, bless our parish family, strengthen our faith, and grant us the spirit of sacrifice. With your grace, may we revive the gift of our faith, restore our parish facilities, and rejoice in the blessings you still have in store for us. May we glorify you and grow in love for you as a community of faith through Christ our Lord. Amen.
