

FEED 220 STARVING PEOPLE By Purchasing A \$20 Cookie Tray!

THE **Cookie Sale** To Combat World Hunger®

December 10/11
after all Masses

AM I SENDING COOKIES TO HAITI?

No. Every penny raised goes to purchase Vitafood – a nutrient enriched rice product that provides essential proteins (soy), vitamins and minerals in an area where food is in short supply.

HOW CAN \$20 FEED 220 STARVING PEOPLE?

Cross International/Cross Catholic Outreach uses grants and subsidies that drives the cost to providing Vitafood down to a little over 9¢ per person. That means each \$1 feeds 11 people, and \$20 feeds 220 people!

HOW IS THE VITAFOOD DISTRIBUTED TO THE HAITIAN PEOPLE?

When the food arrives in Haiti, it is distributed to schools and orphanages in-person by members of Cross International and Cross Catholic Outreach. Because much of the food supplied goes to schools as part of a school feeding program, school attendance among the poorest in Haiti has increased dramatically – an important step in breaking the cycle of poverty.

DOES EVERY PENNY OF EACH \$20 TRAY REALLY GO FOR HUNGER RELIEF?

YES! We have found caring corporate donors to donate everything we need to make a cookie tray.

WHAT IF I WANT TO HELP, BUT DON'T WANT TO BUY COOKIES?

Donations are welcomed and accepted!

Many choose to simply donate. Popular donation amounts are \$40 (to provide hunger relief for 440 people), \$50 (hunger relief for 550 people) and \$100 (hunger relief for 1,100 people). Checks may be made payable to The Cookie Sale and sent to The Cookie Sale to Combat World Hunger, 533 Janet Ave., Ste. 101, Lancaster, PA 17601.

2 MAIN REASONS WE HAVE SOLD 78 TONS OF COOKIES IN 25 YEARS

1. Every cookie tray sold feeds 220 starving people and caring people like to buy our trays and feed starving people.
2. Our cookies are pretty good and to get a whole tray, with 3 varieties of cookies, for only \$20 is a great value.

A COOKIE SALE SUCCESS STORY

In Haiti, The Divine Shelter School System is a Christian school with 17 buildings throughout Haiti. Currently, there are 4261 students that regularly attend.

Many of these students come from families that are of the poorest of the poor. Many kids attend school because they get their only meal of the day there.

When you are starving, education is far from a priority. The proceeds from The Cookie Sale to Combat World Hunger provides food for all 4261 students. The Divine Shelter School System feeds students physically and spiritually and provides an education for them. This is hope for breaking the cycle of poverty. As educated kids grow into educated adults, they will be able to better change their fates.

We don't care what you do with the cookies, we only care that you buy them!
